Your Vote Matters

The results of this voting season will have real effects on your quality of life, your family, and your community

- The Virginia House of Delegates and State Senate are up for election: the bills they've passed or rejected over the last few years have resulted in **major changes on issues like criminal justice reform, gun control, healthcare costs, and climate.**
- Also on the ballot is your local **School Board**. These positions determine the future of education for your children. By controlling the resources school districts may or may not receive, they directly influence the quality of your children's education.
- Unlike federal elections for President or Congress, these local elections often come down to hundreds or even dozens of votes. When you and your neighbors vote, it makes a difference!

Not Sure Who Is On The Ballot?
